

Job Corps Information Sessions - Alexandria

Job Corps is the nation's largest career technical training and education program for young people from 16 through 24 years of age that qualify as low income. A voluntary program administered by the U.S. Department of Labor, Job Corps provides eligible young men and women with an opportunity to gain the experience they need to begin a career or advance to higher education. Job Corps has no cost to its students or their families.

Job Corps offers hands-on training in more than 100 career technical areas, including: automotive and machine repair, construction, finance and business services, health care, hospitality, information technology, manufacturing, renewable resources, and many more. All training programs are aligned with industry certifications and are designed to meet the requirements of today's careers.

Job Corps also offers the opportunity to earn a high school diploma or a GED for those youth who don't have either. For youth who already have a high school diploma, Job Corps can help them prepare for college through partnerships with local colleges. Resources are also available for English Language Learners.

To learn more about Job Corps and begin the admissions process, plan to attend this information session:
